***Response to Amendment***

The following is in response to the amendment filed on January 3, 2006.

***Allowable Subject Matter***

Claims 5, 6, 9, 16, 18, and 24-26 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 5, 6, 9, 16, 25, and 26 are allowed, because the prior art does not disclose or suggest a press felt having a base body, a fibrous assembly, and the claimed three-dimensional knitted fabric, wherein the knitted fabric is provided at a distance from both the web contacting side and the machine contacting side and also is on the machine contacting surface side relative to the base body.

Claims 18 and 24 allowed, because the prior art does not disclose or suggest a press felt comprising a base body, a fibrous assembly, and at least two of the claimed three-dimensional knitted fabrics, wherein each knitted fabric is provided at a distance from both the web contacting side and the machine contacting side and the base body is positioned between two of the knitted fabrics.

Allowable subject matter was indicated previously.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
